

Today's Hospitalist

MAGAZINE

2010 Editorial Calendar & Board

Editorial Mission

Today's Hospitalist is the leading source of practical information for hospital medicine, the fastest growing specialty in the U.S. The articles in Today's Hospitalist are designed to help hospitalists face day-to-day issues they see in their practice, from practice management to clinical medicine.

Editorial Board

The Today's Hospitalist Editorial Board solicits feedback from the following hospitalists and industry experts:
